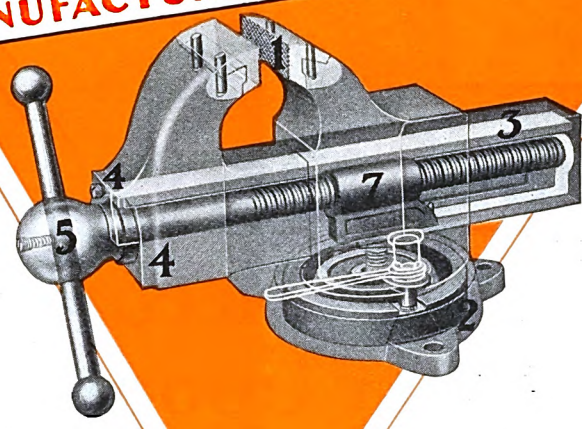
USED BY THE MANUFACTURERS OF GOOD PRODUCTS



at

FAIRCHILD

assisting in the production of Airplanes

Growing by leaps and bounds the airplane industry opens a fine market for Parker Vises. In fact Parker Vises are practically "made to order" for the extremely accurate work that airplane production demands. Your effort in this field is backed by Parker advertising in aircraft magazines and 100% distribution through the jobber. Complete line manufactured by the Charles Parker Co., Meriden, Conn. New York Salesroom, 25 Murray St., N. Y. C.
